

姓名: _____ 學號: _____

(A) 寫下重點單字

1. What social networking websites do you usually use? Do you recommend them? Why?

I frequently use Instagram. This platform allows me to share moments of my life with friends and family, and also follow my favorite artists and writers. Instagram's visual content is very rich, which is particularly appealing to someone like me who loves photography and art. I recommend this platform because it provides inspiration and helps people stay connected.

2. How do you keep in touch with your friends?

I mainly use LINE to keep in touch with my friends. LINE has a simple and user-friendly interface, and it offers many useful features such as group chats, free voice, and video calls. We often share photos and videos in our group, and we use LINE stickers to make our conversations more fun. I recommend LINE because it not only allows for instant communication but also lets us share moments from our lives.
